Another Advance in Eastern Oil

Office: 6241 W. H. PECK Residence 2442

Office

includes Oklahoma, north Texas, was rel-amoury 6th to its present a barret, and now, with a difference in price be-vicania, and Oklahoma is no doubt but what wance will occur very can be shipped by rail as in reality there is only one difference in the real a difference in the real

the situation is the face in the east are finding of of the fuel oil sold at ind \$2.25 a barrel can be constully at least where process is used. It can very successfully with ther processes, the own th are saying very little are not desiring publicity a the situation here, history repeat itself Okla-uses and north Texas oils

e rapidly, followed by Healdton and Duncar anche oil. These grades were up on January 7 and on the h Louisiana crude was given

12 North and South Lima. d. Wooster, 111., Canada and ingeton crude advanced 25 cents of were followed on January 13 b n advance in Wyoming crude. It was not, however, until January 29 hat Duncan and Comanche advanced a its present price of \$3 a barrel.

All in all, it is a most encouraging end alarm and to add to the gen l feeling of unrest which has been flected recently in the stock, marred and it all goes to emphasize e fact that the man who has oll openy, no matter what value, is condingly foolish to finance same

on the New York exchanges.
One of the old-timers who had preduced oil for many years and who has recently launched a new company that was over-subscribed and New York people even be late of issue, is of the opin-the stock market is run or lest as regular as a rail le by the bankers in Wal

can play and survive. t has tought the oil men a lessor not soon forget, according otherity mentioned above, position is, has it? Have with good producing pro; clearned the great lesson that the without Wall street connections owning his own good stuff is ser off in every way and can tell mall where to get off.

tre is one good bit of news in Green reports of the day that that in the party new running overnment there is one man as taken the right stand, and heaven, he is known well here Tulsa. This refers to Attorney brai A. Mitchell Palmer, who has, osding to Fort Wort advices, reed to countenance further any in ferance with the rights of the oil

He is quoted as having notified his
